File Sharing for Large Files (Over 10 MB)

If Your File is Over 10 MB, It's Probably Too Big to Email - So Now What Can You Do?

Try using this free tool for file sharing with large files. Start by registering for a free account and get 10 GB of free space. Files are limited to a maximum of 200 MB each. You can upload multiple files at once, and password protect them if needed. Just copy and send the link to your file to whoever needs it, and they'll be able to download it.
