Tepato Systems offers software consulting services to help small business owners and non-profit groups.

If you want to make better business decisions, software and other technology tools should be key parts of your business strategy.

This newsletter has articles about a free tool to save web pages as PDF files, and some useful browser shortcuts.

Save a Web Page as a PDF in One Click - PC World

Want to Save a Copy of a Web Page that Doesn't Need a Browser?

From time to time, perhaps you find good content on a website and want to be able to reference it without using your browser. One easy way to do this is to save (or print) that page to a PDF file. The article linked below gives details on a free service that can do this for you.
